

## PRESS RELEASE

### MEBC SUCCESS AWARDS 2013

The Midlands Environmental Business Company will host the [MEBC Business Success Awards 2013](#) on December 4<sup>th</sup> at Birmingham's Council House.

**Greengineering Limited** are delighted to announce that we have been shortlisted in two award categories: the ***"MEBC Low Carbon Innovation Award"*** and the ***"SHAP Retrofit Innovation (Product) Award"***.

This year the Midlands Environmental Business Company have teamed up with the Sustainable Housing Action Partnership and Birmingham Energy Savers for their biggest awards yet ceremony. This glamorous formal occasion showcases and celebrates companies who have contributed towards the low carbon economy. This year new categories have been included which highlight companies who have achieved success in the retrofit market, as well as those who have identified gaps within the skills sector and developed innovative training.
